A Message from Dr. Linda Backman:

Join Earl and me, with a small like-minded group of folks, to explore the cultural diversity and wildlife world of South Africa, May 12-25, 2020. We're powerfully excited to share our first visit to this land with you! I KNOW this is a trip of a LIFETIME.

Cain Travel-Boulder & Giltedge Africa will coordinate our amazing journey where we'll experience:

- Cape Town: Robben Island and Cape of Good Hope
- Zulu Culture and a Native Healer in Durban
- Safari in a Big Five Game Reserve
- Sabi Sabi Game Reserve with Cheetahs, Giraffes, Zebras and More
- Johannesburg: Mandela's Soweto and Cradle of Humankind Tour

The planned itinerary is available here: [RavenHeart Group - South Africa Safari](#). This will be a land package only tour - however, if you would like Cain Travel to assist you with international travel options, they will be pleased to accommodate your needs.

We are currently gauging the participation level for this program. If you would like to travel with the group to South Africa, please enter your information in the [RavenHeart South Africa - Interest Form](#). Once we have reached the minimum participation level, we will send out the official registration form. If you have more questions about the tour, please write to Earl@RavenHeartCenter.com or call 303-818-0575. This will be a small group tour, with limited space.
