Explore beautiful and mystical ports of call and excursions as you delve into some of humanity's deepest mysteries with teachers expanding the horizons of our understanding.

A Mexico cruise is an effortless way to experience the charming villages, bustling cities, local markets and colorful cultures of Mexico's west coast. Enjoy 7 days of pure relaxation and enjoyment, as we sail into revelations of truth, higher wisdom, and elevated awareness.

The entire Pacific coast, known as the Mexican Riviera, is famous for pristine beaches set against stunning cliffs, coves and verdant jungle landscape. Swim in transparent waters, be filled with wonder by the wealth of marine life, or relax on a white-sand beach. Enjoy magnificent scenery, snorkeling, scuba diving, or parasailing. Tour a historic Cathedral or shop in a charming "old town" marketplace. Marvel at cultural treasures such as the airborne ballet of the famed Papantla dancers. So much to learn while cruising crystal blue waters and so much to explore!
