Each of us is incarnate because we are Souls created in the Higher Realm to evolve through multiple lifetimes. Every soul is fashioned with one of seven immortal and unchanging archetypes. These archetypes are of equal importance and expand one to the next to demonstrate Divine Order.

In this uniquely impactful virtual course, participants will identify through deep exploration which archetype is associated with their individual souls, connected with each soul's immortal design. Discovering your archetype leads to a profound understanding of your Life Plan and Intentions.
